

	<h1>SHEQ MANAGEMENT SYSTEM POLICY</h1>	Doc No	UNY-M-QA-001
		Rev	3
		Date Issued	8 April 2021

THE MANAGEMENT OF UNYAZI IS COMMITTED TO:

1. deliver products/services to uNyazi customers that comply with their requirements and international standards.
2. improve uNyazi products and services continually, and to broaden the uNyazi scope of supply.
3. determine, analyse, and understand the needs of uNyazi customers, and strive to satisfy them.
4. mitigate against risk to the safety and health of people, quality of uNyazi products and services, and the environment, including the prevention of injuries, ill health, and pollution.
5. provide adequate resources for uNyazi employees to perform quality work safely, responsibly, and confidently, and
6. encourage all uNyazi employees to achieve the objectives of this SHEQ Policy.
7. continually improve the quality; health; safety and environmental (HSE) programme.

VISION STATEMENT

To be regarded by all its clients as one of the most professional suppliers in Africa, both onshore and offshore, providing Valves and associated parts, Industrial Services, Testing (including Non-Destructive Testing), Corrosion Protection and Rope Access products and services.

MISSION STATEMENT

uNyazi Sales and Services will

- improve and provide quality products and professional services to its customers safely, responsibly and efficiently,
- promote strategic partnerships with suppliers and clients,
- continue to develop its vigorous, skilled, and experienced team,
- apply advanced technology and techniques,
- adopt a 'customer first' approach, and
- value integrity and respect.

COMMUNICATION

- **The policy will be communicated to all persons working under the control of uNyazi** with the intent that they are made aware of their individual SHEQ obligations.
- **The Policy will be made available to the public and posted on uNyazi' s website at www.unyaziss.co.za**
